DEDICATION

We, the Senior Class of 1981, would like to dedicate this yearbook to a Mr. Joseph Ruschman, a man who has dedicated the last 30 years of his life to Kelloggsville. He has served the school and students in many different ways. He started as a teacher in 1950. He was the Varsity Football coach for quite a while and did a very successful job. Later he coached basketball, baseball, and track. He became a counselor in 1960 and then a principal in 1970. Mr. Ruschman has also been a friend to Kelloggsville for the last 30 years. In his first few years at K-ville he could frequently be found down in the basement digging out and old fire hose used for making ice ponds. He was often outside until 11:00 or 12:00 at night in below 0 weather, putting more water on the pond. Then he still had to drain, roll-up, and store the hose back in the 'basement before going home.

He dresses up on Halloween and on Christmas always puts on his Santa Suit and hands out candy canes. He has been a great help to the Senior Class in last few months trying to help us plan our Bac. & Com. exercises. In the few weeks we have heard him say many times "This seniors class has been a pleasure to know and work with."

We would like to say, on the behalf of all the students who have been through K-ville in the past 30 years: Thank-you Mr. Ruschman! You have been a pleasure to know and work with!

Football season was great and the spirit in the stands was super. We got to let off some hot air (hot air balloons) at the beginning of the Homecoming game.

On November 1 the J.V. and Varsity squads went to a clinic at Central Michigan University and performed really well.

The freshmen team this year was a well balanced team of hard hitting guys. If they can ever discover that it takes dedication and hard work, they have the potential to be a championship team by the time they are on the varsity. Congratulations on a great season.

The J.V. football team played really well all through their tough season. Many of their players were moved up to the varsity leaving them shorthanded at times. With a little hard work they should be able to improve their record greatly in the next two years.

This was an exciting year for Kelloggsville football players and fans. It was a year for close scoring games that included two that went into overtime. It was a year that saw the R and R cup returned to Kelloggsville. In addition it was an exciting year for the coaches who witnessed a team explode into a unifying force that came close to contending for the championship.

Improvement was the key word and main goal of the 1981 Volleyball teams and improve we did! Our varsity was composed of three seniors, two juniors, three sophomores and two freshman, a very young team by O.K. Blue Division standards. We were unsuccessful in winning matches but we won games which was an improvement over the immediate past. Our J.V. team was composed entirely of freshman, our goals at the J.V. level were the overhand serve and setting. We met these goals. All our athletes enjoyed a super parents night and helped sponsor the double elimination format league tournament of which we can all be proud. We also were pleased and thankful for the following of fans that showed up to watch us complete. We will miss the leadership and skill of our seniors but we look to next year with great anticipation for the rest of the league will not be able to overlook the KELLOGGSVILLE VOLLEYBALL TEAMS ever again.

Winter hit the cheerleading squads hard. It would have been nice to have two full squads once in a while, but someone was always out with an injury or sick with the flu.
A big thanks goes out to the Super crowds for their support in the close and not so close games. We loved it. Good Luck to all the cheerleaders.

The J.V. Basketball team did very well this year. There was no Freshmen Team this year which means the J.V. team was made up of Freshmen and Sophomores. The team had a super starting five with a very strong bench to replace them. If they keep up the good work with some practice and determination they should be a hard team to beat next time the play together. Good Luck!

GIRLS' TRACK

Front Row: Maria Stewart, Robin Foster, Kris VanderWal, Sue Stowe, Mari Dudley, Sherry Rose. Back Row: Christy McClurken, Kim DeYoung, Cynthia Jackson, Kelly Hubers, Kathy Velting, Brenda Hindenach, Coach-Mr. Pukk.

The girls track team had a new coach this year, Mr. Pukk. He had a very small team to work with, but the girls did fairly well. The scored pretty good in some meets even though they had to scratch in some events because there just was not enough girls to compete. Lets hope next year the team will be big enough to do better.

SENIORS

BOYS TRACK

The boys track team this year was very small. The teams goals was personal improvement with many people, improving greatly. Senior Randy Wilson will probably be the one person on the team remembered most for his improvement in the 1981 season. Randy knows how to do his best when it counts the most. In the Class C Regional meet this year Randy set the 220 dash record at 23.5 seconds taking second in that event. He re-set his high jump record at 6'7" to take first place in regionals. He also finished 4th in the 100 yd. dash in his last event of the day. Next Randy went to the state meet. Once again he out did himself and took second in the high jump with a jump of 6'8". Congratulations Randy!

The boys Tennis Team this year had a very successful season, finishing with a record of 8 wins & 7 losses. The team took 4th place in both Conference and Regionals. Senior John Saenz made the All-Conference team and Junior Steve Schulty made the Honorable Mention team. The team has the potential to do very well next year with only three of it's fifteen members graduating.

GIRLS SOFTBALL

Front Row: Michele Mack, Latricia Dornbos, Connie Hindenach, Bobbie Plants, Julie Fenstemaker. Back: Sue Grundy, Cuba Silva, Teonna Vinent, Jamie Dusendang. Not Pictured: Coach-Sue Schriener

This year there was only one softball team. The girls tried hard but never seemed to come out on top. Because there was so few of them they often had only 9 players for a game which means everyone had to work extra hard. Michele Mack received Honorable Mention Honors for the team this year.

SENIORS

The J.V. Baseball team this year had a new coach. Mr. Stewart did a good job teaching the team what the game was about. The guys put forth a real good effort even though their record is not very good.

VARSITY BASEBALL

Front Row: Ben Weeber, David Brooks, Dave Oakley, Jore Miles. Middle: Skip Barrett, Kevin Curtis, Jim Rawdon, Dennis Freas, Ed Christians, Dale Dulyea. Back Row: Bryan Schutte, Keith Burns, Larry BruinsSlot, Steve Ensing, Tim Burk, Coach-Mr. Britten.

The baseball team this year took 1st place in the conference, with 11 wins and 3 loses. They beat caledonia in the last league game 11-3 to take sole possession of 1st place. Then they went to districts when they beat Fennville in the 1st game 5-4 to settle a grudge from basketball season. In the next game, however, they weren't quite as lucky. Calvin Christian won a close game 3-2. They ended the season with a 16-6 overall record. Two seniors, Jim Rowdan and Larry Bruin-Slot took All-Conference. Three juniors Dave Oakley, Ben Weeber, Skip Barrett took Honorable Mention.

The trip was an "experience"-"an ordeal"-and full of "just becauses," but it sure was fun! Our small-town innocence left us quite unprepared for the shock of being just one small group in such a huge city of people; but after the first day in the BIG APPLE we were over our fears. We were ready to meet all those "experiences" head on.

One of our first lessons was "how to handle cab drivers," and we invented quite a system. We also learned how to look inconspicuous so as not to attract street bums. Mainly, our many walks from museums, to Restaurants, to the Soho Area taught us that when you see a flashing don't walk sign, you absolutely **do not** walk-you **RUN!**

We were amazed by the view from the Empire State Building, tired out by the walk through the Statue of Liberty, and soaked on the way to the Museum of Modern Art. The young actresses in the broadway play "Annie" stole our hearts, and the opera rehearsal at the Lincoln Center of Performing Arts was interesting even though we didn't understand it. Our last night in the city, we took in a cabaret show at Mickey's-and it wouldn't surprise us at all if Karen Aker's name is known in G.R. someday soon-she was a terrific singer!

The eight of us will cherish our memories of the sights and lessons of New York City forever-and we want to thank all of you for making it possible!

Class Motto: We have opened the door;

Class Poem: GRADUATION DAY

Today we'll start a new life
And we'll say our last goodbyes
To all the friends we've grown to love
With whom we've laughed and cried.
Remembering the fun and laughter,
The problems and the fears,

And watching all our memories grow
Throughout our high school years.
The memories of the dances
And the new friends that we've met,
Vacations, teachers, talking And exams we'd rather forget.
Yes, high school days are precious but brief,
Where all your dreams come true;
It is not the end, but the beginning
Of a life we'll start anew.

Class Song: The Wall-by Kansas

I'm woven in a fantasy, I can't believe the things I see
The path that I have chosen now has led me to a wall
And with each passing day I fell a little more like something dear was lost
It rises now before me, a dark and silent barrier between,
All I am, and all that I would ever want to be
It's just a travesty, towering, marking off the boundaries my spirit would erase.
To pass beyond is what I seek, I fear that I may be to weak
And those are few who've seen it through to glimpse the other side
The promised land is waiting like a maiden that is soon to be a bride
The moment is a masterpiece, the weight of indecisions in the air
Its standing there, the symbol and the sum of all that's me
Its just a travesty, towering, blocking out the light and blinding me
I want to see
Gold and diamonds cast a spell, it's not for me I know it well
The riches that I seek are waiting on the other side
There's more than I can measure in the treasure of the love that I can find
And though it's always been with me, I must tear down the WALL and let it be
All I am, and all that I was ever meant to be, in harmony
Shining true and smiling back at all who wait to cross
There Is No Loss

JUNIOR SENIOR PROM

"Sea Breezes", which was the theme of the Junior-Senior Prom, swept beautifully dressed, happy couples into an evening of pretend with a painted, silver moon casting a glow over a sandy beach and a reefed sailboat. Fishnet, a light house, a dock, signal flags and starfish further enhanced the glow surrounding couples who sure gliding to the music of "Autumn". Creating a special excitement was the knowledge that the prom was to be featured in the Grand Rapids Press. It was truly a special event of the year which we shall long remember.

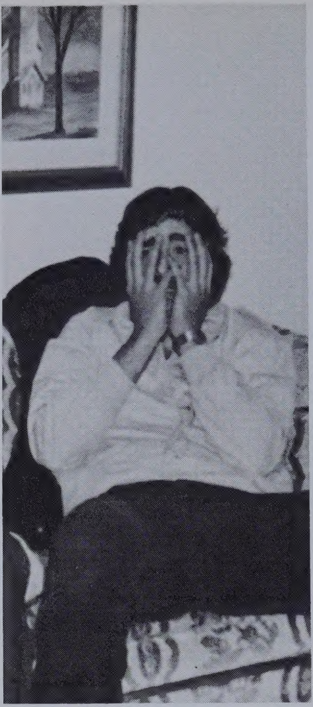
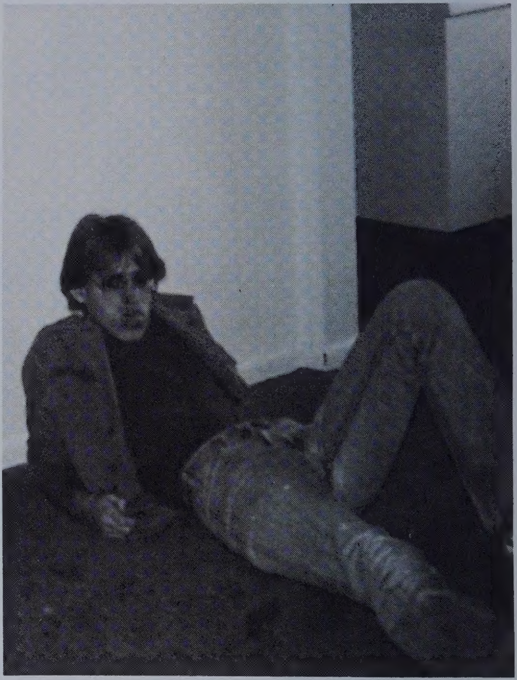
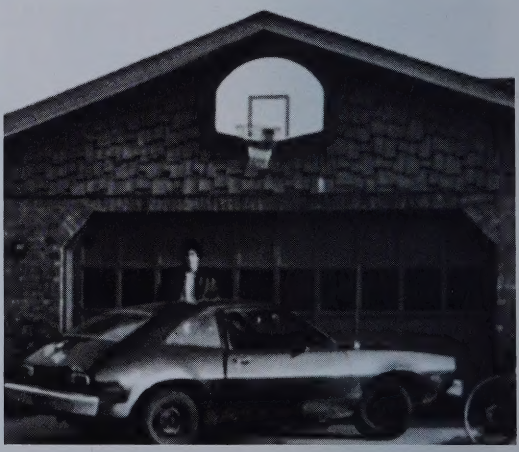
SKIP DAY



Sambo's
RESTAURANT





Skip day this year was a little different then usual in many ways. For one thing it started earlier for about fifty or sixty of the seniors. We climbed out of bed at about 4:00 (or for those of us who slept in at about 4:20, when someone knocked on the bedroom window), and met in the parking lot of Sambos at 4:30. Each car load of Seniors was then assigned to a teachers house. The address were all looked up before-hand and maps were made up so that everyone would know where to go.

At about 4:45 the seniors split up and left for the house they were assigned to. When they arrived they parked their cars in the driveway so that the teachers couldn't leave.

Some of the teachers, however, were a little more clever then we expected. Mr. Hoffmen, for instance, invited Dale Dulyea and Steve Ensing into the house. He then slipped out of the house, pushed Dale's car out of the way and left for school, only a little late.

Other teachers looked at the Prank differently. Mr. Bloye called the police. Mr. Gallert and Mr. VanHoven had to walk because Joe Meade and Kris Vander Wal would not move their cars. Mr. VanDomelen went fishing while Pat Salois and Michele Mack sat in his house, and Mr. Stewart took pictures of Mark Salisbury and Debby Vander Laan sitting in Mark's car, then watered his lawn.

The seniors also chained a for sale sign to the front door of the high school, and blocked the west parking lot so that the teachers who did get away from their houses had to park a block or two away and walk.

The seniors let all the teachers leave for school by about 9:30. School, however, started only about 45 minutes late, for those who came, and was held as usual, except that 137 students were missing. Most of the seniors that were gone met over at Kristi Vander Wal's house and went from there to Holland beach. When they arrived they noticed that they weren't the only ones with the idea of getting a tan. Over half of the students that were not in school were at the beach.

For the good students who stayed in school on May 20th while the rest of us were at the beach a half day off was given on May 28th. The students that didn't go to school on the 20th, however, had to stay in school all day.

Those of us who planned this prank would like to thank all of the seniors that got up early to help make it work. We would also like to thank Al Lemire for taking pictures, Kris for making us pizza, Joe for making maps, Debby for getting the addresses, and most of all the teachers and administrators for not getting real upset and for going along with us.
